

Stormwater U: Illicit Discharge Management (IDDE)

May 19, 2010
Stillwater, MN

Registration: \$35

Why should you attend?

Are you responsible for inspecting storm sewer pipes and responding to complaints? Do you have an NPDES MS4 permit with Illicit Discharge (IDDE) requirements? This half day workshop will cover topics on illicit discharge relevant to the Minnesota Pollution Control Agency NPDES Municipal Separate Storm Sewer Permit. This event will provide a basic overview of IDDE, how to approach a suspected illicit discharge, and how to respond to suspected discharges. Attendees of this workshop will qualify for 2 PDHs.

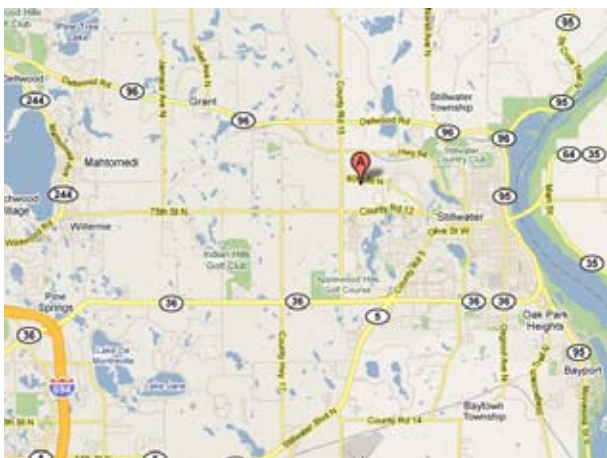

Who should attend?

This seminar is for municipal staff who are responsible for NPDES MS4 Permit IDDE compliance. Municipal maintenance staff who are routinely in the field will also benefit from this training.

Date and Location

Wednesday, May 19, 2010
Stillwater Public Works Facility
3325 Boutwell Road
Stillwater MN 55082

1:00 pm to 3:30 pm

Agenda

- Defining Illicit Discharge
- Identification of Pollutants
- Tracking Pollutant Sources
- Response Procedures

Fee

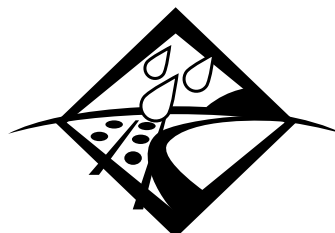

The workshop registration fee is \$35. This fee includes the training workbook materials. Assistance with keeping program fees low has been made available through the East Metro Water Resource Education Program. Partners should contact EMWREP for more details.

Speakers

Attendees of this event will hear from Shahram Missaghi, who has worked with several municipalities and counties before training with the University of Minnesota. Attendees will also hear from John Chapman, who is the director of the Erosion and Stormwater Management Program.
