

RAIN BARREL SALE 2011

The AmeriBarrel is great for collecting rain water and storing it for future use. The removable lid allows for access from the top to dip a watering can directly into the water. Other features: the brass spigot allows a hose attachment, stainless steel intake screen, and flat back.

Reserve yours today!

\$68.00 each (tax included)

Order form below.

* Also, ask us about our annual tree sale held the same day of pick up for the rain barrels. Order form online.

WHEN: April 29th 8am - 8pm, April 30th 8am - noon

WHERE: Pick up at Washington County Fairgrounds, located in the Rabbit Building, Manning / Hwy 5, near Lake Elmo, MN

WHO: Sponsored by Washington Conservation District for residents or landowners in Washington County.

COST: \$68.00 each. Pre-assembled. You will receive information on how to set up at home.

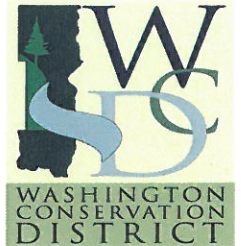

We have a limited supply of barrels, so prepayment is necessary. Please mail (or bring) this form with payment (cash or check) to: Washington Conservation District, 1380 W. Frontage Road Hwy 36, Stillwater, MN 55082
